“Autumn Rising Festival 2023: an alternative approach to your health & wellness”

Outdoor Vendor Guidelines

Cost for 10 x 10 ft. or 20 x 20 ft. outdoor space (6 ft. rectangular table included): \$33.00 for merchandise vendors; \$22.00 for food vendors/trucks & local farm/produce stands.

Registration & Payment: once your application has been reviewed, we’ll reach out should we have further questions for you. If your application is approved, you’ll receive an invoice for \$33.00 or \$22.00 (for food vendors), that is to be paid in full within 48 hours. *This fee is non-refundable & non-transferable.* Please note that we reserve the right to be selective in our approval process, to ensure each business is in alignment with our business’s vision & mission.

Event details: “Autumn Rising Festival” on Saturday 11/18/2023, from 10 AM-5 PM AZ time. Located @ Wickenburg Community Center 160 N. Valentine St. Wickenburg AZ, 85390 w/ parking available on-site and nearby. Arrival & set up time begins @ 8:30 AM. Tables will be available outside for you to set up in the designated area of your site. You must supply your own tablecloths and advertising signage. *Please plan to be completely prepared by 9:45 AM, as there will be a short intention setting ceremony before we open the doors & start the main event @ 10 AM.* Please note this is a FREE event open to the public.

Booth Space: You will be allotted a 10 x 10 ft. or 20 x 20 ft. outdoor space, which includes a 6- ft. rectangular table. You can bring retractable signs and banners & additional tables, chairs etc. ***Please note you are responsible for supplying your own pop-up tent with the appropriate sandbags and/or weights to tie the tent down, in adherence to The Town of Wickenburg fire & safety regulations.*** Event will take place rain or shine, as we have an indoor wellness clinic too; thus, outdoor vendors can decide on an individual basis if the weather affects your decision to participate that day.

Food Vendors: While our mission is to promote healthy food/beverage choices to our participants & attendees, we understand everyone has their own dietary beliefs & practices. With that said we do request that you offer @ least one type of health conscious (and/or plant-based) option for the event, while we also don't expect you to change your regular menu. If you're a food truck vendor, the above booth & tent regulations do not apply to you unless you choose to bring a tent for people to sit under as well.

Farmer's Market/Local Growers: We are sensitive to the costs & labor involved in farming & growing your own produce, so booth fee is \$22.00 to participate. Additionally, we're also aware of the costs to run a food truck for an all-day event, thus the cost to participate is also \$22.00. All other outdoor vendor guidelines apply to food vendors.

Payments for retail sales: We do not handle credit or debit card processing for you. It's completely up to you to decide what forms of payment you want to accept. When selling retail products, you'll keep 100% of all sales & you need to collect and report your own sales tax if applicable.

Advertising & event promoting: As a vendor there is no charge for you to put out your information, flyers, brochures, and/or business cards. We'll have an information table @ the entrance door that you may also use to place advertising

products. It is expected that each vendor will help to market this event (@ your place of business, via social media, to current clients & through word of mouth) to ensure we have a great turnout of attendees!

To agree to these conditions please check off the last box on the application form. For further questions please contact us via email @:

Thank you for your interest in this empowering event!!
Samantha Surprenant & Maria Gingras

Branches of Vibrational Healing LLC

What we're ALL about

“Branches” was born out of the hearts of two nurses, Samantha & Maria, who have a genuine healing vision for humanity. Their mission is to work with the energy of the Universe and their Souls, to be of service to others. While stepping “outside of the box” of the mainstream healthcare system & into their knowledge & experience in both modern-day nursing & ancient energy healing practices, they offer a holistic & evidence-based perspective of health & wellness.

“Our goal is to help people remember their own unique talents, gifts, innate wisdom & natural healing capabilities. We offer multiple different healing modalities that provide support, love & guidance for those who seek the light within & those who are looking to connect with the light all around. Our mission is to empower & bring peace to the lives of others- mentally, emotionally, physically & spiritually. It is our belief that to truly “heal,” each individual must look deep within oneself. Our desire is to provide a safe space where you can face your fears & darkness, while awakening to your innate gifts & loving wisdom, so that you too can live a life that fulfills your whole being- mind, body & Soul. By leading a life of health & wellness you bring healing energy to those around you and ALL of humanity. We all have choices in life but often allow fear of the unknown to stop us from growing, changing & evolving. We are here to provide you with guidance & support as you awaken to the light of Soul evolution. Let us ALL heal as a collective & start living a life of harmonious balance. We love you; we honor you; we see you.” -Sam & Maria
